MOTHERS WHO HAVE DAUGHTERS

Find Help in Lydia E. Pinkham's Vegetable Compound

Worcester, Ind.—"Four doctors
told me that they could never make
me regular, and that I would never
have any children. I would bleed,
and suffer from bearing-down pains,
cramps and chills, and I could not
sleep at night. My mother wrote to
me about Lydia E. Pinkham's Vege-
table Compound, and I began to take
it. After taking one and one-half
bottles of the Compound, I am all
right again, and I recommend it to
every suffering woman."—Mrs. MAY
DEAL, Winchester, Ind.

Hundreds of such letters from girls
and mothers expressing their gratitude
for what Lydia E. Pinkham's Vege-
table Compound has accomplished for
them have been received by The Lydia
E. Pinkham Medicine Company, Lynn,
Mass.

Girls who are troubled with painful
or irregular periods, backache, head-
ache, dragging-down sensations, faint-
ing spells or indigestion, should take
immediate action to ward off the seri-
ous consequences and be restored to
health by Lydia E. Pinkham's Vege-
table Compound. Thousands have been
restored to health by its use.

If you would like special advice
about your case write a confidential
letter to Mrs. Pinkham, at
Lynn, Mass. Her advice is free,
and always helpful.

Gold Dust makes dish water that digs—

Gold Dust offers the short-
est cut from the drudgery of
dishwashing. Just a little
Gold Dust shaken in your
dishwater will remove the
grease and dirt.

Gold Dust digs deep into
cracks and corners—purifies
and drives out every bit of dirt
or hidden germs which soap
and water will not reach.
Gold Dust sterilizes as well
as cleans.

If you spend two hours a
day washing dishes, Gold
Dust will enable you to save
one hour—and your
dishes, too,
will be spot-
lessly white,
wholesome
and sani-
tary.

REPUBLICANS WIN IN WESTERLY

Town Goes No-License by 138 Majority—All the Amend-
ments Carried—Board of Trade After New Industries
—Body of Haldine Saunders Recovered—Notes of
Election Day.

Election day was very tame in West-
erly, the republican majority being so
large that victory is assured in ad-
vance, and the actual polling is merely
a legal formality. There was not the
slightest evidence of activity from the
opening of the polls at 9 in the morn-
ing in the town hall until the close
thereof at 6 in the evening. In the
eight hours only 955 votes were polled,
an average of about two a minute.
There were about 500 stay-at-homes,
indicating that there was a general
lack of interest; all there were seemed
to be centered on the liquor license
vote, which, as usual, was opposed to
licensed liquor in the town. The
election machinery of the Australian
ballot does not require many
operatives, only six officials being
required for the whole town of Westerly
as against four times so large a force
which is utilized in the polling places
in the village of Pawcatuck, one of
Stonington's voting districts, under the
Connecticut plan. The officials at the
election in Westerly Tuesday were:
Eugene B. Pendleton, moderator; Ev-
erett E. Whipple, clerk; Everett
Barns, Lewis Stanton, Herbert Farrell,
William Foley, supervisors; Herbert P.
Hark, town sergeant. All participated
in the counting except the town ser-
geant. Following is the result of the
vote in Westerly:

Republican.
For governor, Aram J. Potier, 635.
For lieutenant governor, Zenas W.
Bliss, 669.
For secretary of state, J. Fred Par-
ker, 681.
For attorney general, William B.
Greenough, 627.
For general treasurer, Walter A.
Read, 646.
For senator in general assembly,
Louis W. Arnold, 568.
For representative in general assembly,
Albert H. Langworthy, 597.

Democrat.
For governor, Oliver Arnold, 165.
For lieutenant governor, Thomas A.
Carroll, 177.
For secretary of state, Frank E. Fitz-
simmons, 169.
For attorney general, James A. Wil-
liams, 167.
For general treasurer, Edmund
Walker, 159.
For senator in general assembly,
Tristram D. Babcock, 301.
For representative in general assembly,
Gorton P. Peabody, 144.

Prohibition.
For governor, Willis H. White, 46.
For lieutenant governor, Nathaniel C.
Greene, 48.
For secretary of state, Ernest L.
Merry, 44.
For attorney general, Thomas H.
Peabody, 80.
For general treasurer, William G.
Larson, 29.
For senator in general assembly,
Tristram D. Babcock, 37.
For representative in general assembly,
Thomas H. Peabody, 154.

Socialist.
For governor, Fred Hurst, 6.
For lieutenant governor, Samuel
Fassell, 6.
For secretary of state, John T.
Fletcher, 5.
For attorney general, Edward Ther-
niet, 4.
For general treasurer, Israel Pre-
court, 5.
Socialist Labor.
For governor, Richard Holland, 5.
For lieutenant governor, Augustus
Martin, 5.
For secretary of state, Everett I.
Bowers, 3.
For attorney general, Wolf Semonof,
2.
For general treasurer, Francis Lin-
den, 2.

Three amendments and harbor im-
provement loan all carried.
The vote on liquor license: Against
license 525; for license 297, a majority
against license of 138. There were 25
blank and 8 defective ballots. Total
ballots deposited 955.
Representative Milton Duckworth,
who was defeated in his candidacy for
state senator from Charleston in the
republican caucus, and who ran for
the office on an independent ticket,
was elected, defeating Senator George
W. Huxley, who has represented the
town for several terms in the senate.
Richard is in the west column
again, the license vote having a ma-
jority of 39. Charleston went no-
license by 43 and Hopkinton no-license
by 129.

The monthly meeting of the Westerly
Board of Trade was held Tuesday
evening. President Charles Perry pre-
sided. Clerk Albert R. Stillman read
the minutes of the last meeting, which
were approved. Thomas Hope of Potter Hill and Max
Novogrozi were proposed for mem-
bership.

Dr. John Champlin of the committee
on trades and manufactures reported
that a manufacturer of taps and dies
was here from Vermont recently seek-
ing a site for his business. He was
satisfied with a site and a committee
was appointed by the executive com-
mittee.

Cranston & Co.,

want all who have collections of Post
Cards and Kodak Pictures to know
that the best way to show them to your
friends is with a "Mirroscop" Pro-
jector, which shows any picture not
transparent in Original Brilliant Colors.
They are fitted for Electricity, Gas or
Acetylene. Everything is projected in
the actual colors, but enlarged to six
feet in diameter. Nothing complicated.
No cost to run one. Every owner of a
camera needs one. A whole roomful of
people can easily see and enjoy all that
is shown on the screen—see it clearly,
without crowding or inconvenience.
Put your watch in, with the works
exposed, and it will show up in all its
metallic colors and with the wheels in
motion.
Unlike the magic lantern, it does not
require special slides—although the
slides are screen look like magic
lantern views.
Instead of slides, you use any origi-
nal photograph, kodak picture, post-
card, illustration clipped from maga-
zine or newspaper. Nothing complicated.
drawing or sketch.
The Mirroscop is as easy to operate
as a photograph. You can adjust it
properly, hang your screen and be
showing pictures in less than five min-
utes. Even if you wanted to show but
a half dozen views, you would not con-
sider it a bother to get out and set up
the Mirroscop. It is made in three
sizes—gas, electric and acetylene. All
three are simple, perfectly safe and
throw equally distinct views.
Come in and see them.
Prices \$3.00 to \$10.00.

The Taste of the Nation

Uneeda Biscuits

5c

NATIONAL BISCUIT COMPANY

has actually been changed and cultivated by Uneeda Biscuit.

No longer are people sat-
isfied with crackers taken
from the grocer's box or
barrel—exposed to dust,
moisture, handling.

They have learned that the
only crackers that are crisp,
tender, always fresh and
really good are those pro-
tected by a moisture-proof
package. These are the kind
they get—as if just from the
oven—when they ask for

EVIDENCE OF PROSPERITY

We have, from time to time, shown in our advertising, comparative statements of our condition. This, we believe, is of interest to the general public, and especially so to our customers, who have, by their patronage, contributed to our

GROWTH MEASURED BY DOLLARS.

The figures given are from our statements made public in response to the calls of the Bank Com-
missioners.

	June 9th, 1903	Jan. 11th, 1905	May 20th, 1907	Sept. 30th, 1909
Deposits	\$118,136.98	\$291,038.92	\$538,030.62	\$830,527.08
Assets	292,284.46	469,142.90	798,790.20	1,000,413.10

An increase of over 700 per cent. in about six years.

This development is particularly gratifying to us because, of the fact that a very large proportion of this gain in deposits is new business created by our special effort and facilities and not attracted from other institutions, as is evidenced by the continual increase of deposits in every bank in Nor-
wich.

GROWTH MEASURED BY SERVICE.

Increase of deposits result from growing balances in old accounts and the acquisition of new ones. We gauge our value to this community by the number of people we serve, and by the quality of the service, and we feel that the one, attests the other.

June 8th, 1902, our depositors numbered 377 with deposits of \$118,136.98
Sept. 1st, 1909, our depositors numbered 1931 with deposits of \$830,527.08

The facilities that have secured these results are yours for the asking. They include ample secur-
ity, prompt and courteous attention and equipment for every banking need.

In Response to Repeated Requests

for the convenience of our customers in Commercial Department, who need to protect Saturday re-
ceipts and Savings Department customers who cannot call in usual banking hours, without loss of
pay, this bank will
OPEN SATURDAY EVENINGS
beginning November 6th, 1909, from 7.30 to 9 o'clock, and on those days will close promptly at noon,
giving Norwich the service rendered by many banks in the larger cities.

Norwich, Connecticut.

Crawford

Cooking-Ranges

Miss Hope, who was Principal of the Boston
Cooking School for 17 years, says:

"I consider the Crawford the best of them all. It uses less
coal and gives a more even heat than any range I ever saw."

The Crawford has more improvements than all other ranges combined:
Single Damper (patented); Patented Dock-Ash Grates; Cup-Joint
Oven Flues; Asbestos-Back Oven; Reliable Oven Indicator.

Made by Walker & Pratt Mfg. Co., 31-33 Union St., Boston

NEW BOOKS.

Pupil's Notebook and Study Outline
in Oriental and Greek History.
By L. B. Lewis, teacher of ancient
history, high school, Syracuse, N. Y.
Manila, 144 pages, 7 1/2x3 1/2 in-
ches. American Book company,
N. Y. Price 25 cents.

The Study Outline is a skeleton of
topics, with indications of subdivi-
sions, and blank spaces in which the
student may write the sub-topics and
other brief notes to complete the out-
line. Space is left for numerous
drawings and plans to be made by him,
and references are given to the books
that may be consulted to get the neces-
sary information. Outline writing
provided which the student can fill out
with the essential geographical data.
Many Special Topics are suggested
for collateral reading.
